### **Maryborough Green Corps Community Project – Unndenno Kindergarten**

The Maryborough Green Corps team is currently finishing a Community Project, landscaping and restoring the gardens and the Unndenno Kindergarten in Alice Street, Maryborough.

The team has been mulching gardens and planting new gardens with wildlife attracting native plants. The bright flowers and scented leaves will also be very pleasant for the students and teachers.

The team also restored and regenerating Land for Wildlife properties across the Fraser Coast as well as helping manage Council parks and reserves.

The Green Corps Maryborough Project is managed by Community Employment Options in partnership with the Fraser Coast Regional Council.
