

## Hervey Bay Liquor Accord

Do you understand about this new initiative and how it affects young people in Hervey Bay?

*Can you help us to show what the Accord means to other young people?*

*We are looking for a **poster** that is informative, eye catching and youth related that explains the new Hervey Bay Liquor Accord.*

The Good Guys together with the Fraser Coast Regional Council are providing 3 x \$200 gift vouchers to the Good Guys as prizes for the poster competition.

### How the Liquor Accord affects young people:

- **If you play up in licensed premises you can be banned from all of them**
- **If you try to get in after being banned you will be charged with trespassing**
- **Being banned from everywhere will have terrible consequences for your social life!**

Send your Hervey Bay Liquor Accord poster to Sue Lawler via email to [Sue.Lawler@frasercoast.qld.gov.au](mailto:Sue.Lawler@frasercoast.qld.gov.au) or via post to:
